AGREEMENT

THE CHEQUE SPECIFIED IN THE MEMORANDUM ON THE OTHER SIDE HEREOF IS ISSUED SUBJECT TO THE FOLLOWING CONDITIONS:

It is understood and agreed by and between the Issuer of this Cheque and the person (herein referred to as the Remitter) to whom this Memorandum and the Cheque referred to herein are issued, that the transaction is subject to the following conditions:

1.—If the Cheque referred to herein is paid in accordance with the laws and usage of the country in which it is cashed, such payment shall be deemed to be due and proper for all purposes. (In certain foreign countries identification of the payee or holder of a Cheque is not required in order to secure payment.)

2.—If for any reason said Cheque is not paid by drawee and is presented to the Issuer for refund, the Remitter will accept refund on the basis of the market buying rate, at place of issuance, on the date of refund, for the foreign money specified on the Cheque, less any charges and expenses incurred on behalf of the Issuer.

3.—In the event that this Cheque is lost, stolen or destroyed, no refund will be made until the claimant has furnished a satisfactory bond of indemnity.

4.—Any alteration or mutilation of this Memorandum or of said Cheque by any person will render the entire transaction void.

5.—Nothing contained in this Memorandum shall be deemed a waiver of the obligation and duty of the holder of the Cheque to present the same for payment promptly to the drawee and to protest the same in the event of its non-payment.

6.—The face of said Cheque and the conditions printed on this Memorandum state the exact obligations of the Issuer and shall not be altered or supplemented in any manner. No oral or collateral agreement shall bind the Issuer.
