Christmas 1942...

(L-05) Nov. 29, 1942

Dear Willy!

We had a family-reunion, (almost,) at Thanksgiving. Janie & Norman visited for four days & I must say that Janie chose a splendid husband for herself! He is well-mannered, sincere & cultured.

It is snowing here today & perhaps we shall have "a White Christmas!" ..! Whatever kind it is it will be joyous, even though we will be thinking of you and wishing that a Christmas-angel with wings could, (or would) transport you to us!

All fantasies aside, I wish you herewith a very blessed Christmas-time in the various, mysterious land of Africa that is playing so great a role in the fate of the world today!

We will drink a sparkling toast to you, Willy!

Love & melody
