

Dear William: Greetings to you
 across the miles this Christmas
 season & we are hoping that
 another year may find you
 back safely in "God's country".
 Needless to say we are all busy
 here - "early to rise" & if we
 are not "early to bed" you may
 be sure we know it the next
 day - Yesterday was our first big
 snow which did not last long.
 We went to a beautiful tea at
 Camlins, new home - it comes the
 nearest to being an estate of
 anything in these parts - with
 my love & wishes for a
 joyous Holiday Season - Love

Dear William:-

(L-4) Best wishes for as merry Christmas as
 possible under conditions. Janie and Norman
 were home for Thanksgiving and had a
 good time. They expect to go to Seattle Wash.
 after first of the year. We have had no word
 for about four weeks. What have you heard
 from Philinda and how are the plans
 proceeding. We have a box for you but are
 having trouble in sending it. Love and best
 wishes and God bless you in all your undertakings.
 Leaddy.
