Dear Laurence:-

Enclosed is a summary of income tax changes for your son.

I had this prepared Friday before the O. R. T. Director's Meeting, and intended to give it to you at the close of the meeting. However, you were anxious to leave, and it has completely slipped my mind at the moment, and didn't get it to you yesterday afternoon.

If you or your son should have additional questions covering a specific matter, I will be glad to try and answer the same if you wish.

Yours very truly,

I. G. Stirgwolt
