Dear Folks,  
 More on the same awful stationery! Philinda is much better now and I think her complete recovery is now mostly a question of recuperation. She has had a hard and discouraging time, but we will be leaving Lagos shortly away and I hope our next post will be more healthy.

Best wishes to you both.  
 Sincerely,  
 William

Dear Folks,

More on the same awful stationery! Philinda is much better now and I think her complete recovery is now mostly a question of recuperation. She has had a hard and discouraging time, but we will be leaving Lagos shortly away and I hope our next post will be more healthy.

Best wishes to you both,

Sincerely,

William
