Tuesday A.M.

Dear Mother:-

Just time to dash off a line or so before I start studying for the history exam. I haven't had time to write to Herman yet, so I don't know what his plans are. I wish he would write to me. After all, all he has to do is dictate one to Miss Metz, while I have to take time to pound one out myself. I suppose he feels that it would not be in accord with his dignity to write to me before I wrote to him. Well, say something to him about it if you see him. And give my best to Betty. I am going to be too busy from now on to do any writing.

We have just heard that one of the three fellows hurt in an auto accident last Saturday night has died. Too bad. He was going to be manager of football next year. He is the second manager to be eliminated. The Athletic Council always gives them money to buy liquor with before their picnic when the positions for the next year are announced. One of the fellows got drunk and used obscene language to the president's wife in the Nugget. He was expelled. You probably read the numerous Vox Pops in the Dartmouth about it. I understand that he is to be allowed to reënter *just next* fall, however. There seems to be some bad luck attached to the managerships, *doesn't* there. The other two fellows who were injured are expected to recover, altho they were seriously hurt.

Next Ohio Hardware Association Convention and Exhibit, Cleveland, February 17-21, 1931

I want to thank you folks again for the lovely cookies.
I practically ate myself sick on them, but they were so good I
couldn't stop. Bob and Dick enjoyed them a lot too.

I just got a 75¢ dividend from the Co-op. It is the rebate
on my ski boots. Before I forget it, here is the expense account:

Balance on hand	5/1/32				\$148.76
Checks as follows:					
5/8/32	to	Elliott	for	laundry	\$2.99
5/9/32		Cash	"	miscellaneous	10.00
5/29/32	"	Campus Cafe	"	food	2.00
6/2/32	"	Cash			10.00
6/2/32	"	Hitchcock Clinic	Dr.'s bill		2.00
6/3/32	"	Elliott		Laundry	6.46
Balance on hand	6/7/32				\$115.31

Of the \$2.00 to the Campus for food, only 80¢ was for the actual
food. I was broke about that time, and since it was Memorial Day
the banks weren't open, so I wrote a check for two bucks so I would
have a little left over. As I still have the last ten dollars, I
won't have to draw anything until I withdraw everything at the end.
The trains are running at the same time as before, so I will get
to Columbus at 11:50 A.M. June 16. C U later.

Send the laundry case back right away.

William
